Think Again: How to Reason and Argue

English Composition I

Data Analysis and Statistical Inference

Reasoning, Data Analysis, & Writing Final Project

11/12/2016

Jason Kilembe

has successfully completed the online, non-credit Specialization

Reasoning, Data Analysis, and Writing

A collection of three courses dedicated to how to reason, analyze, and write critically followed by an 8-week final project.

The Reasoning, Data Analysis, and Writing Specialization teaches skills needed to build a well-reasoned, critical argument in writing. Successful participants will be able to analyze data, evaluate arguments, and write persuasively.
